

I would like to protest Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. I believe this is a clear violation of Federal election laws and an example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. It should not be allowed to force its stations to air blatant propaganda against one candidate just days before an election.

I ask the FCC to step in and stop this travesty of justice.

Thank you!
